PROFESSIONAL SUMMARY

Supply chain MBA with 4+ years managing vendor performance, inventory health, and demand forecasting across B2B and retail distribution. Skilled at partnering cross-functionally to monitor KPIs, including OTIF, cost-to-serve, in-stock rate, and inventory turns, translating complex data sets into scalable, root-cause-driven action plans. Proficient in SQL, Excel, and Power BI.

EXPERIENCE

Six Flags Entertainment Corp. (merged with Cedar Fair, 2024) **Sandusky, OH, USA**
MBA Associate – Supply Chain & Operational Improvement *May 2025 – Nov 2025*

- Managed vendor relationships across 42 operations, developed data-driven reports for senior stakeholders with recommended standardized operating procedures aligning post-merger transition roadmaps.
- Reconciled ~$90K in at-risk revenue from RFP to PO execution; partnered with Park Operations, Finance, and Order Management to analyze historical consumer trends and implement change to the purchasing process.
- Reduced corporate reporting lags by 60% eliminating 121 manual audit hours annually; facilitated SQL-to-Power BI dashboards to monitor demand forecasts, vendor performance, and real-time capacity.
- Drove CSAT improvement from 80% to 86% by monitoring performance levers, including queue line thresholds, merchandising portfolio and staff scheduling, leveraging in-app feedback data from the 2025 digital app rollout.

Burgess Institute for Entrepreneurship and Innovation **Lansing, MI, USA**
Research Lead – Funnel & Drop-off Analysis *Aug 2024 – May 2025*

- Secured $300K in funding by developing investor-ready diligence findings and P&L-aligned action items.
- Reduced 150+ manual hours in preliminary business reviews by building an AI-powered n8n workflow to evaluate across 5 viability frameworks; adopted by directors for incubator workshops.

Ward Tires Group **Calgary, AB, Canada**
Strategic Account Manager – Go-to-Market *Feb 2023 – Jul 2024*

- Captured 6% in incremental margin by analyzing competitor benchmarking data, conducting market segmentation, and restructuring tiered pricing through service-level agreements to grow the B2B product portfolio.
- Sustained 98%+ OTIF while driving cost-to-serve (CTS) reductions through volume consolidation and network optimization.

Sales and Operations *Jul 2021 – Jan 2023*

- Generated $2.5M in annual sales by leading a 35-member team to deploy fleet management incentive programs and served as the primary post-sales point of contact across 300+ accounts.
- Achieved a 95% renewal rate through proactive demand forecasting by monitoring in-stock rates, and customer issue resolution.
- Expanded brand equity and drove a 12% lift in web engagement by monitoring the customer journey, adoption trends, and OKR attainment across 13 locations.

Fiverr **Toronto, ON, Canada**
Marketing Consultant – E-commerce Growth *Aug 2020 – Jun 2021*

- Managed ad content across Shopify and Amazon FBA channels, optimizing catalog listing promotions to drive customer adoption.
- Improved CTR by 137% by mapping customer journeys through Google Analytics; conducted 25+ A/B tests across client web pages, identifying conversion gaps that informed page and ad content optimizations.

EDUCATION

Michigan State University **Michigan, USA**
Master of Business Administration – Supply Chain Management *May 2026*
Leadership: Secretary, Supply Chain Association (GSCMA); Broad Consulting Club

National Institute of Engineering (NIE) **Mysore, India**
Bachelor of Engineering (B.Eng.) – Civil Engineering *May 2020*
